

ASTRONOMICAL SOCIETY OF LONG ISLAND, INC.
MEMBERSHIP RENEWAL NOTICE AND INVOICE

Dear ASLI member:

Here's a quick quiz question to ponder. It's really easy!

Question: Is it time to...

- (A) sincerely hope for better weather for the next "new moon weekend?"
- (B) remember that, for the northeast, fall generally has the clearest skies?
- (C) remember to renew your ASLI dues?

Answer: All three are correct!

Each September, your club's membership dues become due. Please remit payment promptly to avoid the cost and confusion of repeated mailings, etc. and the errors that ensue.

Your dues are due or before SEPTEMBER 30!!!

Magazine subscription rates are set by the various publications and are being passed on at actual cost. Magazines obtained through the club are still significantly discounted from normal subscription rates!!!

As in the past, the *Observer's Handbook* from the Royal Astronomical Society of Canada is available on request at a deep discount for our members.

Dues: Individual Memberships	\$ 40 per year
Family membership	\$ 75 per year
Gold memberships	\$100 per year
Corporate Sponsors:	≥ \$500 per year (includes logo and ad links on our website)

Publications: Sky & Telescope	\$ 32.95 per year, club subscription rate
Astronomy Magazine	\$ 34.00 per year, club subscription rate

RASC Observer's Handbook 2007 \$ 15.00

All payments are made to "Astronomical Society of Long Island" and can be given to Rich Tyson at a meeting, or mailed to him at:

Rich Tyson, 111 Graffing Place, Freeport NY 11520.

A pre-addressed envelope is included with this note for your convenience in renewing.

There is *no* extra charge for delivery of the paper copy of ASLI News in each month's mail. You can always receive the bulletin as a "pdf" file via e-mail. Please make sure that we have your correct e-mail address for this service.

Please don't send any magazine subscription forms etc. to the magazine publishers. To get the discount, you can **ONLY** renew through the club, which sends in the requests to the publishers.
